Course Information

CITY OF WOLVERHAMPTON COLLEGE

Hair Professional (Barbering) Apprenticeship Level 2

Study Mode: Part Time, Work Based Learning

Is this course right for me?

Barbers will be able to shampoo and condition hair, cut hair using barbering techniques, style and finish hair, cut facial hair into shape and provide shaving services for men.

Barbers must be able to work with all hair types ranging from straight hair to very curly, wiry hair.

They also need to be able to carry out consultations with clients, demonstrate the professionalism, values, behaviours, communication skills and safe working practices associated with their role and be able to work without supervision to a high level of precision, with exceptional client care skills.

Entry Requirements

Apprentices must be employed in a suitable salon before they start the qualification

What will I learn?

- Industry professionalism, codes of practice, ethics, appearance standards and time management.
- How to communicate effectively, greet clients and deliver good customer care.
- Legal and safe working practices including hygiene, sterilisation, PPE and risk reduction.
- How to carry out client consultations, tests, and assess hair, skin and scalp conditions.
- How shampoos, conditioners and treatments affect the hair and scalp.
- Principles behind barbering cutting techniques, sectioning, shapes and weight distribution.
- Methods for styling and finishing men’s hair using tools, products and equipment.
- How to cut, shape and outline facial hair safely and accurately.
- Knowledge of shaving services including blades, lathering, skin function and disorders.

What skills will I gain?

How will I be assessed?

Once all on-programme assessments are complete, along with English and maths functional skills, apprentices will be able to go through the gateway and prepare for the end point assessment – this is a three-hour practical assessment along with oral questions assessed by an independent assessor.
