

How to find Metro One Campus

The Metro One Campus is located in the heart of Wolverhampton city centre on Bilston Street.

There is access to the town from the M6 and M54 motorways. From the M6, Junctions 10, 11 and 12 may be used and from the M54, Junctions 1, 2 and 3.

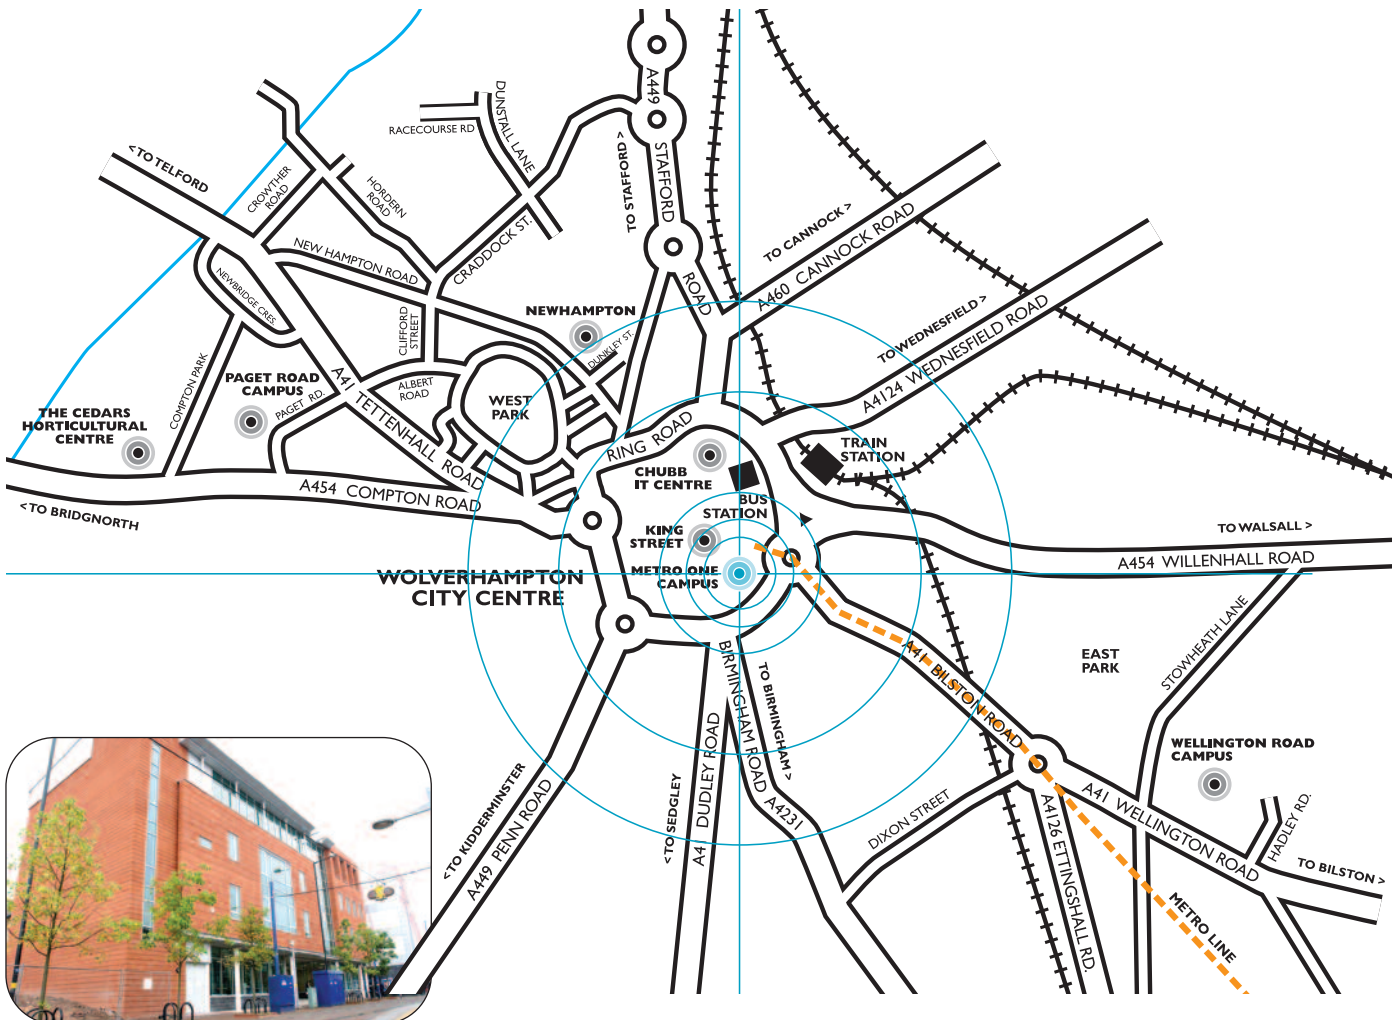

From M54 Junction 3 follow signs for the A41 towards Wolverhampton and Cosford. This will bring you to the city ring road along Tettenhall Road.

From the other motorway junctions follow signs for Wolverhampton which lead to the city ring road.

To locate the Metro One Campus from the ring road turn on to Bilston Street at the Bilston Street roundabout.

As Bilston Street is a one-way road heading out of the city you will have to filter left onto St George's Parade, follow this round past Sainsbury's to the traffic lights. Turn right at the lights on to Garrick Street then next right on to Bilston Street where the campus is located opposite the police station.

Please note that there is no parking available at this campus and you will not be able to stop or drop-off on Bilston Street. Recommended parking is available in the Wulfrun Centre car park situated on Garrick Street. Other city centre parking is available and well signposted.
