

How to find Paget Road Campus

The Paget Road Campus is located to the west of Wolverhampton city centre, on Paget Road which runs between the A454 and A41 roads.

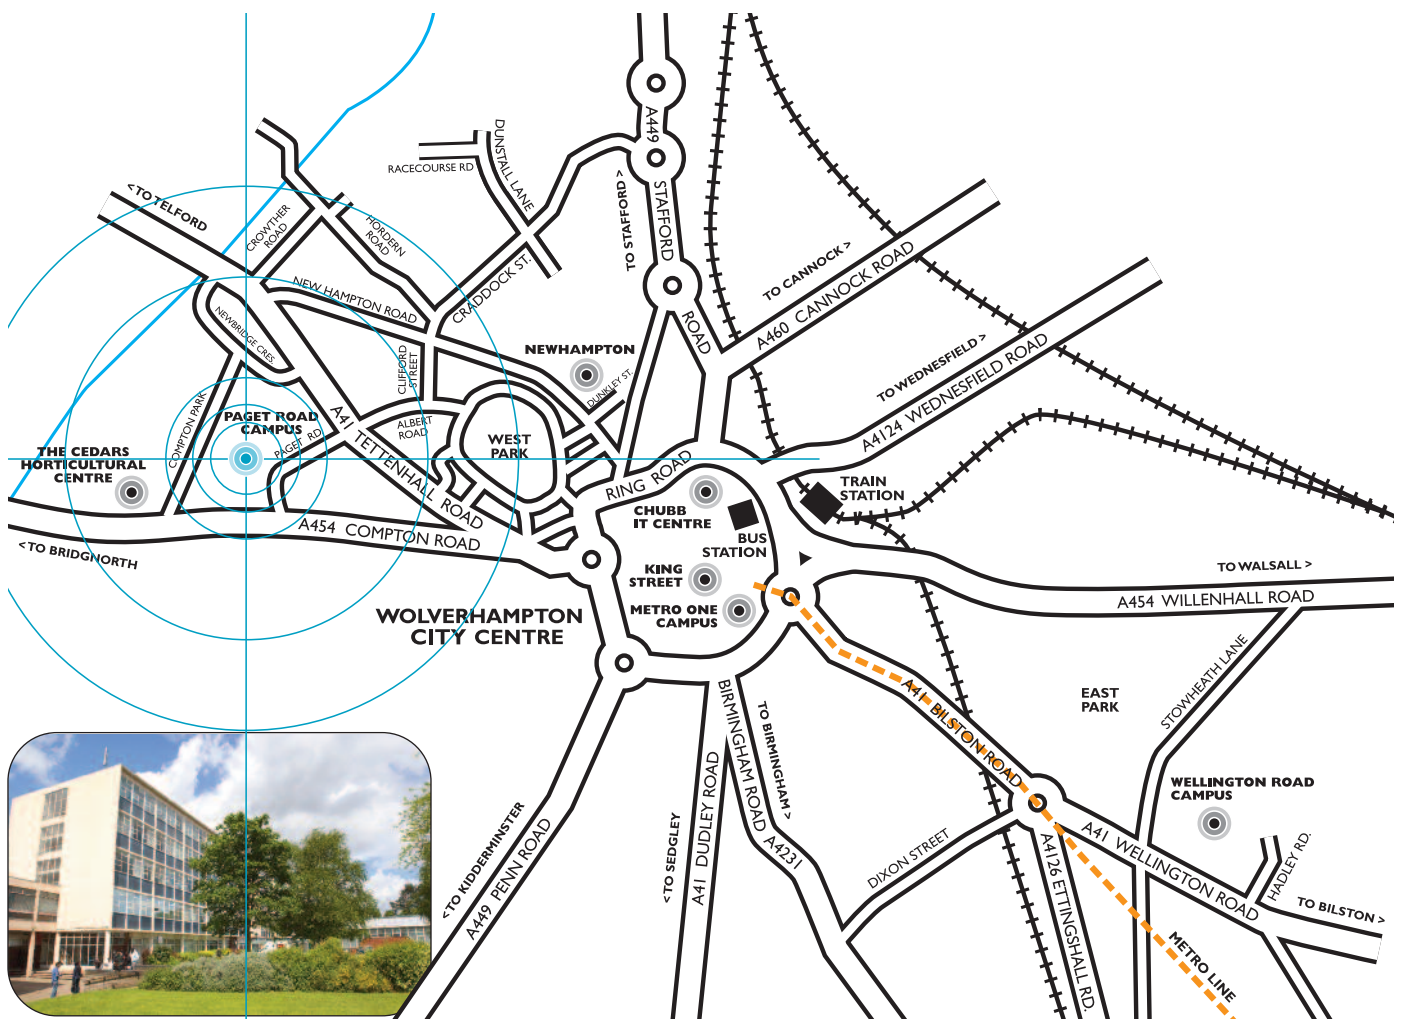

There is access to the town from the M6 and M54 motorways. From the M6, Junctions 10, 11 and 12 may be used and from the M54, Junctions 1, 2 and 3.

From M54 Junction 3 follow signs for the A41 towards Wolverhampton and Cosford. This will bring you to the Campus along Tettenhall Road. Turn right at the traffic lights at the Halfway House pub.

From the other motorway junctions follow signs for Wolverhampton which lead to the city ring road.

To locate the Paget Road Campus from the ring road take the A41 marked Telford. From here take either the A41 Tettenhall Road (turning left at the traffic lights at the Halfway House pub) or the A454 Compton Road (turning right at the traffic lights into Clark Road which becomes Paget Road).

Drive up to the barrier in the Visitors' Car Park, press the button for attention and give your name. You will then be admitted to the car park.
