

How to find Wellington Road Campus

The Wellington Road Campus is located to the east of Wolverhampton city centre, on the A41 Wellington Road.

There is access to the town from the M6 and M54 motorways. From the M6, Junctions 10, 11 and 12 may be used and from the M54, Junctions 1, 2 and 3.

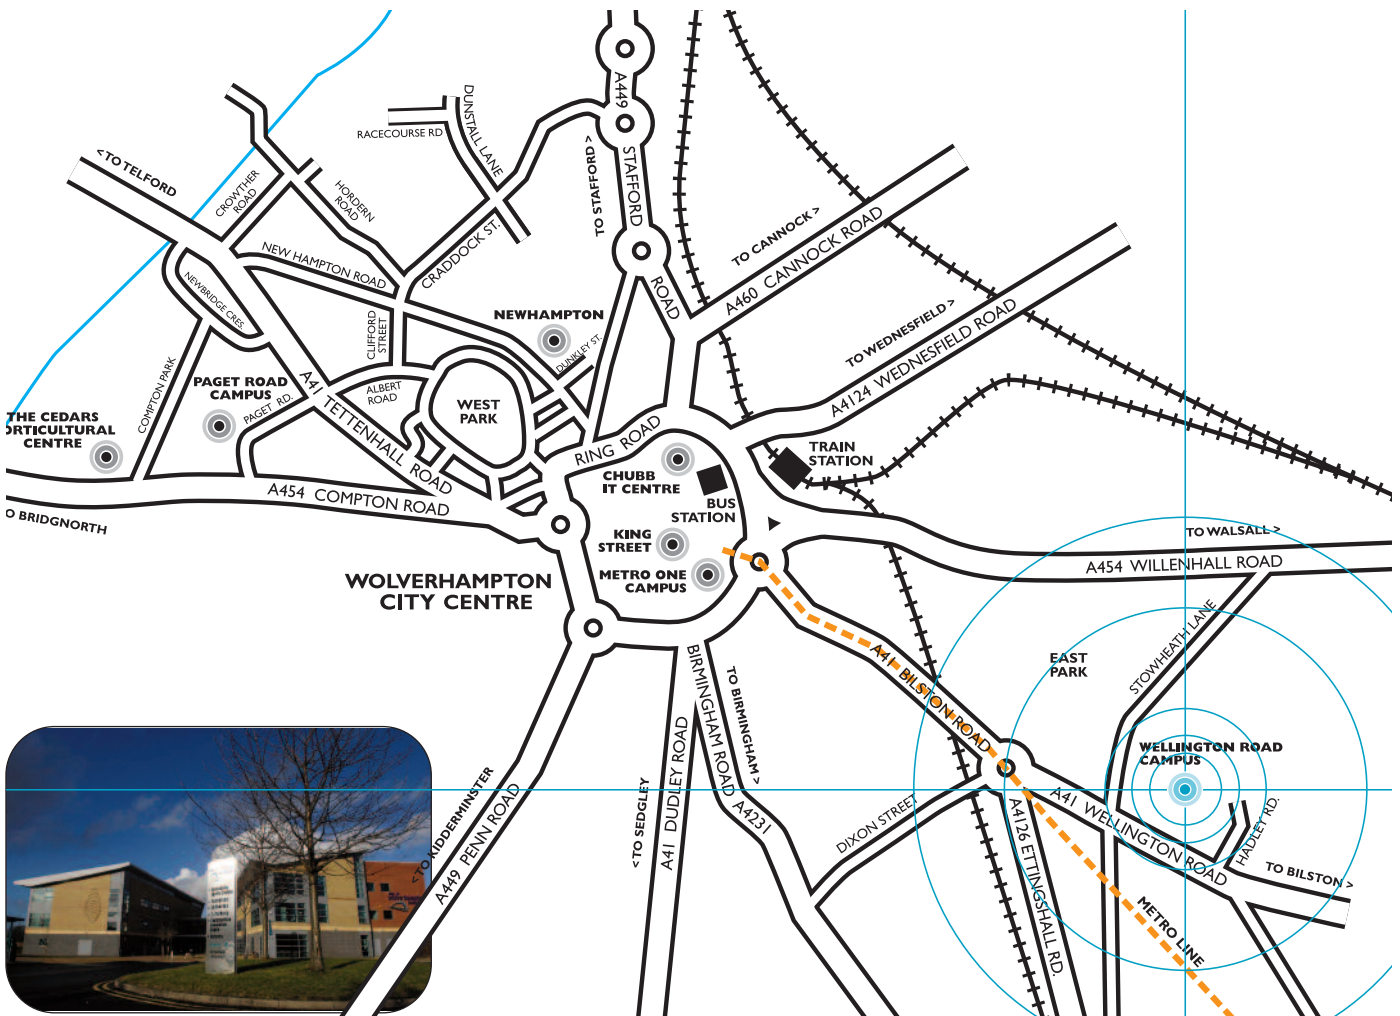

From the M6 Junction 10 follow the A454 signposted for Wolverhampton and Bilston which leads on to the A463 towards Dudley and Bilston. At Oxford Street island turn right on to the A41. Continue along in the direction of Wolverhampton city centre. After approximately 1 1/4 miles you will find the entrance to the Campus on the right immediately after the BP Petrol Station/Co-op Supermarket.

From the city centre ring road, take the A41 signposted Bilston. After approximately 1 1/2 miles you will find the entrance to the Campus which is just beyond the traffic lights at the junction of Ward Street and Stowheath Lane.

The entrance to the campus is on your left, just before the BP Petrol Station/Co-op Supermarket.

Parking is at the rear of the building.
