

## IOSH Working Safely

### Pre-requisites

Candidates do not require any formal entry requirements.

### Aim of the course

The **IOSH Working Safely** course is aimed at employees at any level, in any sector who need a basic knowledge and understanding of Health and Safety at work. The course should also benefit employers by helping them to improve the safety culture within their organisation. By focusing on how individual actions contribute to Health and Safety in the workplace. We will also assist in making employees more responsive towards themselves, colleagues and other persons affected by work activities.

### Who Should attend

- Any employee from any sector requiring Basic Health and Safety Training.
- People interested in obtaining a basic Health and Safety knowledge.

### Objectives of the course

**Module 1:** Introducing Working Safely

**Module 2:** Defining Hazard and Risk

**Module 3:** Identifying Common Hazards

**Module 4:** Improving Safety Performance

**Module 5:** Protecting our Environment

Assessment is in the form of a multiple choice assessment paper and hazard spotting exercise.

### Duration

1 Day (9.30 am – 4.30 pm)
