

## **NVQ Level 5 Diploma in Occupational Health and Safety Practice**

### **Pre-requisites**

Candidates should possess a NEBOSH or equivalent and have Health and Safety responsibilities at a managerial level. All candidates will undergo an informal interview prior to acceptance on the course.

### **Aim of the course**

The **NVQ Level 5 Diploma in Occupational Health & Safety Practice** is aimed to provide the person who may have a Health and Safety responsibility the opportunity to gain a professional vocational qualification without significant time away from the workplace.

### **Who should attend?**

- Health and Safety Officers
- Health and Safety Consultants
- People who are actively involved in the practice or management of Health and Safety as part of their job or role.

### **Objectives of the course**

Units covered by the course:

- 402: Develop and implement effective communication systems for health and safety information.
- 510: Promote a positive health and safety culture.
- 511: Develop and maintain individual and organisational competence in health and safety matters.
- 512: Control health and safety risks.
- 513: Develop and implement proactive monitoring systems for health and safety.
- 514: Develop and implement reactive monitoring systems for health and safety.
- 515: Develop and implement health and safety emergency response systems and procedures.
- 516: Develop and implement health and safety review systems.
- 517: Develop and implement a health and safety audit.
- 518: Behavioural safety in the workplace.
- 610: Develop and implement the health and safety policy.
- 611: Professional development and ethics in health and safety management.

Assessment is in the form of continual assessment through the production of a portfolio of evidence based around 11 Mandatory Units. Candidates will be required to attend 6 workshops throughout the duration of the course, which will give guidance on compiling evidence for the relevant units. Assessment for Unit 611 will be in the form of an assignment. This is graded Pass/Fail. Once achieved this will allow the candidate to gain IOSH Graduate membership.

### **Duration**

6 Days (Workshops) (9.30 am - 4.30 pm). The course should be completed in 12 – 18 months

### **Qualification**

City & Guilds 3654-06 - NVQ Level 5 Diploma in Occupational Health & Safety Practice
