

Accounting

Study Mode: Part time | Course Level:

Is this course right for me?

Whether you're looking to take the first steps to a career in accountancy and need to know the basics, are returning to work and want to brush up your skills, or run your own business and need to learn how to keep records and manage your books, an accountancy qualification is what you need.

Entry Requirements

With courses from beginner level for people with no experience to advanced qualifications for those with some accounting knowledge, entry requirements are dependant upon the accounting qualification you wish to study.

Entry requirements will be discussed with our Admissions team.

What will I learn?

Dependent upon the course you wish to study you will learn a range of skills and knowlege that you can put to use from day one.

What skills will I gain?

Accounting courses will teach you eveything you need to know to develop skills for a career in the finance industry.

How will I be assessed?

Assessments vary dependent upon the level of the accounting qualification you wish to study. If taking an exam this will take place on campus.

What can I do next?

After you have successfully completed an accounting course, dependent upon the level you can progress onto the next level or gain employment in the finance industry.

Why study with us?

Here are a few reasons why you should study accounting courses at City of Wolverhampton College:
