CITY OF WOLVERHAMPTON COLLEGE

UAL Level 1 Award and Diploma in Art, Design and Media (Interior Design)

Study Mode: Part-time | Course Level: 1

Is this course right for me?

Whether you are looking to improve your home or start on the path to a new career, this course will teach you the methods and techniques required for creating interiors to be proud of!

You will learn how colours, lighting, and soft furnishings can transform rooms into positive, vibrant and inspiring places to work or relax and gain the skills to set up your own interior design business. You will begin to think like a designer and confidently choose colours, patterns and furnishings that are practical, good-looking and compliment the room you are designing.

The course is accredited by the University of the Arts London Awarding Body (UAL) - a specialist awarding body offering up-to-date qualifications in the creative industries. It is owned by, and based within, University of the Arts London.

City of Wolverhampton College is the only college in the Black Country, and one of only a few in the Midlands, to be accredited and offer qualifications from the University of Arts London.

Also, if you earn less than £30,000 per year and aged 19 or over, you could study this course for FREE! Take advantage of the new funding and #DoMore with your future.

Please note: City of Wolverhampton College reserves the right to close or not run courses if enrolment numbers are not educationally or economically viable. If this course is unable to run, you will be notified as soon as possible. We apologise for any inconvenience this may cause.

Entry Requirements

To access this course you are required to:

- Have Level 2 in English
- Have Level 1 in art and design or relevant knowledge/expereince in this area
- Demonstate your confidence in the use of IT

Applications from adults without the necessary qualifications but with relevant work/industry experience will be considered on an individual basis.

What will I learn?

During this course you will study:

- The power of colour
- Mood boards for different living spaces

- Texture, colour, pattern and form
- Lighting solutions
- Current trends in flooring and wall covering
- Window treatments and furniture/accessories

What skills will I gain?

By studying this course you will:

- Learn about the psychology, symbolism and use of colour in interiors
- Learn about pattern, texture, shape and form
- Examine the form and function of lighting designs
- Learn about the contemporary and traditional materials used in flooring
- Explore the diverse possibilities of wall coverings
- Investigating a variety of ideas for window treatments
- Look at current products and their applications

How will I be assessed?

This is an assignment based course so there are no exams. You will be continually assessed throughout the programme.

What can I do next?

The skills you will learn from this course will enable you to:

- Pursue further study in the art and design subject area
- Progress onto a full-time Level 2 course or use your new skills to form your own business
