

Using Photoshop UAL Level 1 Award

Study Mode: Part Time | Course Level: 1

Is this course right for me?

Adobe Photoshop is the professional image-editing software used by professional photographers and graphic designers today. Through this course you will learn the toolset and a range of creative skills which will enable you to get the most out of your software. You will study a range of functions and how to apply those skills to your own photography and graphic designs enabling you to produce and customise your own images through a range of creative techniques.

The course is accredited by the University of the Arts London (UAL) Awarding Body - a specialist awarding body offering up-to-date qualifications in the creative industries. It is owned by, and based within, University of the Arts London.

City of Wolverhampton College is the only college in the Black Country, and one of only a few in the Midlands, to be accredited and offer qualifications from University of Arts London.

Also, if you earn less than £30,000 per year and aged 19 or over, you could study this course for FREE! Take advantage of the new funding and #DoMore with your future.

Entry Requirements

To access this course you are required to have:

- Level 2 in English
- Basic use of Photoshop (desirable but not mandatory)
- Basic computer skills

What will I learn?

During this course you will study:

- The fundamental processes and techniques for digital image manipulation
- Composition, exposure, colour correction, retouching, levels, selections, layers, filters, perspective, channels, hue/saturation and masking techniques as well as saving the work using appropriate file formats for print output or screen based presentation such as websites

What skills will I gain?

By studying this course you will:

- Gain skills in selection techniques, colour correction and spot colour
- Learn about retouching, filters, layers and layer blending options
- Learn about smart objects and smart filters
- Developing skills in masking techniques

- Improve your skills in aligning, blending and scaling content
- Learn about advanced tips and shortcuts
- Find out about hue/saturation, levels, brightness/contrast, perspective, exposure and scale

How will I be assessed?

This is an assignment based course so there are no exams. You will be continually assessed throughout the programme.

What can I do next?

The skills you will learn from this course will enable you to:

- Gain excellent experience and skills if you are wishing to pursue further study in the art and design, photography or graphic design subject area
- Find out about this area as a career or vocation
