If you're passionate about hair and beauty, but unsure which area you want to work in, this Level 1 Diploma will give you an overview of the industry and an introduction to a range of skills to enable you to decide which area you would like to specialise in in the future.

To enhance your learning, you will also get chance to take part in enrichment weeks during which you will be able to learn new techniques, take part in competitions, and complete additional short courses in areas that would be useful to you in the industry, such as hair extensions, ear piercing or eyelash extensions.

You will also complete 30 hours of work experience in a salon and attend lessons to improve your English and maths (or directed study if you already have good grades).
