Course Information

CITY OF WOLVERHAMPTON COLLEGE

Advanced & Creative Hair Professionals Apprenticeship Level 3

Study Mode: Full Time, Work Based Learning

Is this course right for me?

Advanced and creative hair professionals work in the hair industry, which is one of the largest, most trusted and fashion forward professions.

They are passionate, driven, highly skilled and experienced professionals who deliver innovative styles inspired by current images and their own creativity, individual flair, imagination and interpretation.

They provide a quality service, whilst working to the highest standards and continuously developing their personal and professional skills, and work without supervision, managing themselves and others when required.

They take ownership of their work and client lists, accept responsibility, are proactive, flexible and adaptable, plan their work and time, and aim for excellence by taking exceptional pride in their work and industry.

The work environment can be varied in size, style and ambiance, from a bespoke salon, the media industry, cruise ships, product houses and manufacturers to luxury high-end hair salon.

Entry Requirements

What will I learn?

- How to research, plan and develop fashion-forward hairstyle concepts.
- Principles behind creative collections, trend analysis and using media to present work.
- Advanced cutting, sectioning, styling and finishing theory.
- How to assess hair type and condition for complex looks.
- The science, safety and legal requirements behind smoothing and strengthening services.
- Knowledge of colour conversion techniques, products, aftercare and correction methods.
- How influencing factors such as hair condition, scalp health and product choice affect results.

What skills will I gain?

- Ability to design and create a full collection of creative and precision hairstyles.
- Advanced cutting, colouring, smoothing and strengthening techniques.
- Confidence carrying out complex consultations and analysing hair and scalp conditions.
- Skills in personalised sectioning, blending, toning and corrective colour work.
- Effective communication and safe working practice across all services.
- Ability to evaluate finished looks and present collections professionally.
- Enhanced creativity, adaptability, problem-solving and professional behaviour.

How will I be assessed?

Once all on-programme assessments are complete, along with English and maths functional skills, learners will be able to go through the gateway and prepare for the end point assessment. This is a five-hour practical assessment along with oral questions assessed by an independent assessor.
