

Bricklaying C&G Level 2 Diploma

Study Mode: Full Time

Is this course right for me?

If you have already gained your Level 1 bricklaying qualification and want to continue on your journey to becoming a bricklayer, this course will take your skills to the next level.

Construction Certificates are globally-recognised craft qualifications and are accepted in the construction industry.

Also, if you earn less than £32,000 per year and aged 19 or over, you could study this course for FREE!

Entry Requirements

For external applicants:

To access this course, you are required to:

- Level 1 brickwork qualification
- Site experience would be considered – please specify experience at interview
- You will be expected to maintain good attendance and punctuality, as well as show commitment, a positive attitude to learning, and determination to achieve the qualification.

*Applications from adults without the necessary qualifications but with relevant industry experience will be considered on an individual basis.

For internal progression learners (already studying with us):

Learners must be able to demonstrate that they:

- Have successfully completed a relevant course that naturally progresses onto this programme, achieving a good standard
- Have improved their English and maths grades since enrolment
- Have maintained good attendance and punctuality
- Show a consistently positive attitude to learning

What will I learn?

During this course you will study the following modules:

- Building solid walling, isolated and attached piers
- Interpreting working drawings to set out masonry structures
- Construct cavity walling forming masonry structures
- Health, safety and welfare in construction
- Principles of building construction, information and communication

What skills will I gain?

By studying this course you will:

- Learn about bricklaying techniques in practical and theory sessions
- Find out about health and safety on construction sites and how important it is
- Improve your communication skills
- Learn about numeracy and literacy skills to prepare you for a life in construction

How will I be assessed?

Throughout the course you will be assessed in the following ways:

- Continual assessment and feedback from tutors
- Practical assessments
- Job-related multiple-choice questions at the end of each unit
- Online exams

To gain the diploma you must be successful in achieving all units and pass the synoptic practical tests.

What can I do next?

The skills you will learn from this course will enable you to progress to:

- Employment in the construction industry
