Course Information

CITY OF WOLVERHAMPTON COLLEGE

Paediatric First Aid

Study Mode: Part Time

Is this course right for me?

This course will teach you how to provide first aid if a child is injured or become ill and is aimed at people who work with, or care for young children, and those working towards an early years educator qualification. This includes:

- people working in day nurseries
- people working in private nursery schools
- people working in pre-schools
- people working in before and after school clubs for children in the early years age group
- childminders
- carers of children at home.

We have a 100% success rate on this course and excellent feedback from our students, many of whom have used their skills to gain positions as care workers or progressed to further health studies and become nurses and midwives.

This course is run over two full days.

UPDATED EYFS FRAMEWORK: From January 2024 the latest EYFS changes mean that all staff that hold a Level 2 and/ or Level 3 Childcare qualification since 30 June 2016 in a nursery group and school-based setting must hold a valid Paediatric First Aid qualification to be included in the required staff: child ratios for Ofsted

Please note, the certificate you receive upon completion of this course is valid for 3 years.

Entry Requirements

There are no entry requirements for this course.

What will I learn?

During this course you will learn the following things:

- Be able to assess an emergency situation and prioritise what action to take
