

## **NEBOSH National General Certificate**

Study Mode: Part Time

### **Is this course right for me?**

The NEBOSH National General Certificate is the most widely held Health & Safety qualification in the UK. It is aimed at anyone who wants to pursue a career or anyone who is currently working and has responsibility of Health and Safety in the Health and Safety sector.

This course runs 9.00am - 5.00pm for 5 days plus an exam.

Various dates throughout the year

Course Fee: £1,399

### **Entry Requirements**

Candidates do not require any formal entry requirements in Health and Safety, however it is recommended that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language Testing System (IETS) score of 6.0 or higher in IELTS tests or GCSE English Language A\*-C (9-4 new system)

### **What will I learn?**

- Element 1 Why we should manage workplace health and safety
- Element 2 How health and safety management systems work and what they look like
- Element 3 Manage risk - understanding people and processes
- Element 4 Health and safety monitoring and measuring
- Element 5 Physical and psychological health
- Element 6 Musculoskeletal health
- Element 7 Chemical and biological agents
- Element 8 General workplace issues
- Element 9 Work equipment
- Element 10 Fire
- Element 11 Electricity

## **What skills will I gain?**

By studying this course you will:

- Develop your understanding of how your actions and your responsibilities contribute to Health and Safety in the workplace
- Develop skills to manage Health and Safety within the workplace
- Learn how to identify and define hazards and risks, how to produce risk assessments and risk control
- Learn to identify the legal requirements within the workplace
- Understand investigating accidents and incidents
- Understand how to improve the safety performance in your workplace and how Health and Safety plays an active part in protecting the environment
- Understand the benefits of implementing safety management systems in the workplace

## **How will I be assessed?**

Assessment is in the form of the GNC1 exam, a 24 hour online open book exam and the GNC2 open book practical assessment with 2 weeks for completion.

On achievement of both units a Neobosh National General Certificate parchment is awarded.

## **What can I do next?**

After successfully completing this course you could progress onto to the Level 6 in Occupational Health and Safety Practice or onto one of our other courses.
