

## **UKATA Asbestos Awareness**

Study Mode: Part Time

### **Is this course right for me?**

If you have the potential to disturb asbestos containing materials (ACM), eg. caretakers, plumbers, maintenance engineers, painters and decorators, construction workers etc then you should undertake this course.

The course runs for 4 hours on one day

Various dates throughout the year

Course Fee: £95

### **Entry Requirements**

Candidates do not require any formal entry requirements

### **What will I learn?**

During this short course you will learn about:

- the dangers of asbestos
- the relevant legislation relating to asbestos and its disposal
- the health problems associated with asbestos
- where it can be found

Units covered by the course:

- What is asbestos
- How and where it was used
- How it can harm us
- What does the law say
- Who is at risk
- Working safely with asbestos

### **What skills will I gain?**

## How will I be assessed?

You will be assessed by a short multiple choice test - on satisfactory completion you will be awarded an UKATA Asbestos Awareness certificate
