

## Online Maths GCSE

Study Mode: Part Time

### Is this course right for me?

Whether you're looking to progress in your career, apply for university, or simply improve your confidence with numbers, a good maths qualification is essential.

Employers often ask for a specific GCSE maths grade — and having it can open doors.

If you already have a maths qualification\* but need to improve your grade, this course adds up to what you need.

The course is designed to help you achieve GCSE Grade 4 or higher and can be studied completely online\*\*

Studying maths helps you develop skills in:

- Problem-solving and logical thinking
- Data analysis and attention to detail
- Applying maths to real-life situations confidently

### Study completely online!\*

- Study from home and fit your course around your other commitments
- Join live sessions every Monday, 6–9pm (starting January 2026)
- Commit to just three hours of independent study per week
- Access tutorials every six weeks (online or on campus)
- Get extra support during Easter and half-term breaks in the college ME Hubs

*\*Grade 3/D in GCSE Maths or Level 2 Functional Skills*

*\*You will be required to sit your final exam at the City Learning Quarter campus, in Wolverhampton city centre, or the Wellington Road campus, in Bilston.*

## **Entry Requirements**
