

Entry into Health and Social Care NCFE Level E3

Study Mode: Full Time

Is this course right for me?

This qualification will develop the knowledge and awareness of the types of provision in the Health, Social Care and Children's and Young People's sectors. It includes the roles played by workers, from principles and values through to health and safety and working with others.

The course will help you to develop a range of skills to enable you to progress onto the next level whilst also developing essential transferable skills required in any work place and to equip you with every day essential skills.

To enhance your learning, throughout the course you will have the opportunity to hear from guest speakers who visit the college to talk to students about their experiences in the profession.

Entry Requirements

For external applicants:

To access this course, you are required to:

- Undertake a diagnostics test to determine current level you are working at
- Successful participation of an informal interview with a course tutor
- Demonstrate how you have previously had good attendance and punctuality and a good attitude to learning

For internal progression learners (already studying with us):

Learners must be able to demonstrate that they:

- Have successfully completed a relevant course that naturally progresses onto this programme, achieving a good standard
- Have improved their English and maths grades since enrolment
- Have maintained good attendance and punctuality
- Show a consistently positive attitude to learning

What will I learn?

During this course you will study the following modules:
