

Freedom of Information Act Policy

Including the Publication Scheme

Head of Governance

Publication Date: August 2022

Review date: August 2023 | Version No. 1

SECTION A

1. Background

City of Wolverhampton College is committed to making as much Information about College activities as possible generally available to the public either through published documents (including those published on the College website), or on request.

2. Freedom of Information Act 2000: About the Publication Scheme

Adopting a publication scheme is a requirement of Section 19 of the Freedom of Information Act 2000. The purpose of the Act is to promote greater openness by public authorities, which include further education colleges.

The Publication Scheme is not an exhaustive list of information held by the College. It describes the types of information which are routinely available and helps members of the public find that information.

City of Wolverhampton College has adopted version 3 of the model publication scheme prepared for the Further Education sector valid from 22 August 2013. This intends to assist the public in accessing information across the sector, excluding that which will be exempt from disclosure by the Act. Exemptions exist for various purposes and include, national security, law enforcement, commercial interests and data protection.

The Model Publication Scheme is available via the ICO website:

<https://ico.org.uk/media/1131/definition-document-colleges-of-further-education.pdf>

Note: The Freedom of Information Act does not give people access to their own personal data such as their student records. Members of the public who want to see information held about them should make a subject access request under the Data Protection Act 1998.

Material included in this Publication Scheme may occasionally need to be amended. This may be due to confidentiality purposes or for reasons relating to potential invasion of privacy, commercial sensitivity, legal or medial professional privilege

3. Requesting Information

City of Wolverhampton College will make available information it holds whether or not listed in the Guide to the Publication Scheme unless identified as not available under one of the exemptions provided for by the legislation. Any documents routinely available to the public are noted in the Guide in the descriptions of the different classes of information.

Some documents covered by the scheme are published in electronic format via the college's website at <http://www.wolvcoll.ac.uk/> or other websites as indicated. Other documents are only available in hard copy and will be provided on request.

We ask that requests are made in writing and a response will normally be made within 20 working days. A Freedom of Information Request Form is attached, Appendix 1.

If a request is particularly complicated and we need more information, we will contact the requester to discuss their request further. If a delay is likely we will also advise them of this.

4. Payment for Information

City of Wolverhampton College will not usually charge a fee for providing individual items that are routinely available and listed in this Publication Scheme.

Printed information on courses and services offered by the college is available free of charge, information relating to job vacancies are available on the website when posted.

If requested, the College will produce publications and documents in other formats where it is reasonably practical to do so.

For items not routinely available on request free of charge, or for items in other requested formats which incur additional cost, the College will usually make a charge.

The charge will normally comprise the cost of photocopying or scanning (current photocopying charges and scanning charges are each 5p per page) or the direct cost of putting the information into other requested formats, plus postage if applicable.

In certain circumstances the college may waive the fee at its absolute discretion.

Where a significant amount of time is needed to collate information to comply with a request City of Wolverhampton College reserves the right to pass that cost to the customer. Any such charges will comply with the Information Commissioner's guide for charging and customers will be notified in writing of:

- The cost
- The deadline for payment
- The accepted methods of payment

Where a charge is payable, this must be paid before we send the information requested and the 20 day period is halted according to the Information Commissioner's guidance.
