

Student Disciplinary

Policy & Procedure 2023-24

Head of Student Entitlement

Publication Date: August 2023

Review Date: August 2024 | Version No. 3

1. Purpose

- 1.1 The purpose of this policy is to outline the College's approach to student and apprentice discipline and the procedure demonstrates the process to be followed when any student/apprentice is in breach of College rules, College values or health and safety regulations.

2. Scope

- 2.1 This procedure applies to ALL students and apprentices. Variations to the procedure may apply in the case of Higher Education (HE) students, Part-Time (PT) students or Apprentices.

3. Implementation

- 3.1 All students and apprentices will be made aware of the existence of the policy and procedure during the induction period, and of how it might be used. The policy and procedure will be stored on the College intranet. The Code of Conduct is aligned to British Values and posters are in every teaching room and cross college areas.

4. Informal handling of student and apprentice discipline

- 4.1 In most cases student and apprentice discipline can be dealt with informally.
- 4.1.1 The student and apprentice is reminded of the College's expectations and is cautioned by a member of College staff.
- 4.1.2 A record of this is recorded on mywolvColl (Ontrack) for the attention of the student's Personal Tutor or apprentices Assessor. The Personal Tutor/Assessor will discuss any behaviour with the student or apprentice during Tutorials/1-1 and give actions as required to ensure the behaviour does not persist or reoccur. If the unacceptable behaviour persists or reoccurs the formal procedure will begin.
- 4.1.3 If required, the parents/guardian/carers, the Employer and/or the HE provider may also be informed.
- 4.1.4 In cases involving SEN/SEND students/apprentices, the SEND and Inclusion manager (EHCP mainstream or Specialist provision) will be informed and liaise with the parents/guardians/carers and the Local Authority. Appropriate action plans will be discussed and agreed in line with the EHCP.

5. Formal handling of student and apprentice discipline

- 5.1 The formal policy and procedure is designed to start when inappropriate behaviour is repeated, or of sufficient scale to be outside the normal realms of everyday classroom management.

- 5.1.1 Each stage centres on a meeting between the student/apprentice and relevant member(s) of staff, including other parties where appropriate. Meetings will be conducted fairly and openly, allowing both student/apprentice and staff to state their case. If a student or apprentice fails to attend (without giving notice), or leaves the meeting, the meeting may still proceed.
- 5.1.2 A record is made of meetings between staff and the student or apprentice using Ontrack. The record outlines the reasons for concern and the views held by staff and student/apprentice about the issue(s) raised.
- 5.1.3 A letter/email will be sent after the meeting(s) to confirm the outcomes and an agreed Action Plan/Learning Contract concludes the process.
- 5.1.4 The Action Plan/Learning Contract will be monitored. If the student or apprentice successfully completes the agreed disciplinary action plan, within an agreed timescale, the disciplinary episode is closed.
- 5.1.5 If it is not, the student/apprentice will be put on the next stage of the procedure.
- 5.1.6 In the case of Apprentices, the employer or sponsor will be notified. For HE or Advanced Learning Loan students they will be advised of the effects on their student loan if the behaviour persists.
- 5.1.7 If conditions of a Stage 3 disciplinary are not adhered to, an exclusion may be applied.
- 5.1.8 It is the role of the Head of Student Entitlement to assist in determining what support the College can offer to the student/apprentice outside curriculum interventions.
- 5.1.9 At any stage if the student or apprentice is deemed vulnerable, has learning difficulties or disabilities, representatives from the SEND and Inclusion team will be involved in the process to develop appropriate development plans and provide support during the process. Parents/guardians/carers will be informed of appropriate actions to support SEN/SEND/HN student/apprentice who do not have the capacity to fully appreciate the impact their non-compliance. This may involve the recommendations of external parties (e.g. Educational Psychologist, Local Authority) in order to form an action plan. This action plan will be individualised to reflect the specific needs of SEN/SEND/HN student/apprentice and will replace the standard disciplinary procedure.
- 5.1.10 At any stage if the student is care experienced a member of the care experience team will be informed and they will liaise with the local authority to ensure that support for the student is provided.

6. Stages of the Disciplinary Procedure

6.1 There are four stages in this procedure. It is envisaged that most students or apprentices will be put initially onto Stage 1 of this procedure. More serious matters can lead to a student/apprentice being put straight onto other stages, in cases of gross misconduct will go right to a stage 3 for example.

Stage	Reason		Action	Taken By
Stage 1	First misconduct		Verbal warning <i>recorded on Ontrack</i>	Tutor/Personal Tutors (monitored by Personal Tutors)
Stage 2	Repetitive Or Serious misconduct		Written warning <i>recorded on Ontrack</i>	Curriculum Manager
Stage 3	Repetitive misconduct Or Failure to adhere to a Stage 3 Action Plan Or Gross misconduct		Final written warning <i>recorded on Ontrack</i>	Head of Faculty Or Assistant Principal
Stage 4	Exclusion or transfer out of area following Stage 3		Exclusion or transfer out of area following Stage 3	Assistant Principal Or Deputy Principal
Appeal	Only applicable after a Stage 3 Exclusion To be received in writing following Exclusion		Outcome <i>recorded on Ontrack</i>	Assistant Principal Or Deputy Principal Or another member of EMT

7. Suspension

- 7.1 In cases of suspected gross misconduct, a member of college management team following an incident may suspend a student or apprentice. Suspension does not imply guilt on the part of the student or apprentice. It may be a means to contain a situation while an investigation is carried out.
- 7.2 When a student or apprentice is suspended, the member of staff conducting the suspension will record all details on Ontrack. If in the case of it being a Welcome Manager, an incident form is also completed. The following people are informed of the suspension:
- Head of Student Entitlement, who will update the Student Records system and inform front line staff
 - Head of Faculty or Assistant Principal, who will write to the student/apprentice to confirm the suspension
 - Head of Security
 - PA to the Principal, who will store the Incident Form on the Welcome Manager site.
- 7.3 The member of staff conducting the suspension appoints an Investigating Officer within one working day of a student or apprentice's suspension.

8. Appeals

- 8.1 The appeals process is only applied following a Stage 4 Exclusion or transfer out of the area.
- 8.2 An appeal can be made in writing or email to the Assistant Principal or Deputy Principal within five days of the Stage 3 Meeting. This can be sent to quality@wolvcoll.ac.uk to be received and forwarded to appropriate EMT member who will assume the role of the Appeal Investigator.
- 8.3 The Appeal Investigator has 10 working days to complete the investigation. The outcome will be shared in writing or email. The appeal concludes the process.

- 9.1 The College will not tolerate any anti-social misconduct. Below are examples of misconduct which may lead to disciplinary action. It is not a full list and there may be other cases of misconduct which lead to disciplinary action:

Procedure

Stage 1

VERBAL WARNING BY PERSONAL TUTOR/TUTOR/TRAINER/ASSESSOR

1. The student/apprentice is informed by the member of staff that they are to be put onto Stage 1 of the disciplinary procedure. There is only one stage 1 given to any student or apprentice, if another tutor issues a stage 1 this has to be escalated to the curriculum manager so that a stage 2 can be put in place.
2. The member of staff convenes a formal meeting with the student or apprentice gathering the necessary evidence. Evidence can be gathered from all sources e.g., Ontrack, Tutors, Personal Tutors, Security, Safeguarding etc.
3. The member of staff issues a verbal warning to the student or apprentice and an action plan/learning contract may also be drawn up to be adhered to.
4. An outcome letter/email is sent to:
 - student/apprentice and parent/guardian in cases where the student/apprentice is 16-18
 - a member of the care experience team for students in care
 - the SEND and Inclusion manager for students with an EHCP
 - an employer in the case of an apprentice
 - the HE provider (where appropriate)

including if applicable, a copy of the action plan and learning contract. A copy to the Student Disciplinary Policy and Procedures is available if required on request.

7. Successful completion of the action plan/learning contract within the agreed time or recognised improvements will result in the end of the disciplinary process.

Stage 2 -**DISCIPLINARY MEETING WITH CURRICULUM MANAGER**

1. Their Personal Tutor/Assessor or Curriculum Manager informs the student/apprentice that they are to be escalated to a Stage 2 of the disciplinary procedure. This will usually be because the student/apprentice has not complied with the agreed action plan/learning contract from Stage 1, or there have been no improvements demonstrated. It may also be for more serious misconduct than would normally be dealt with at Stage 1.
2. The Curriculum Manager invites, by way of letter/email,
 - student/apprentice and parent/guardian in cases where the student/apprentice is 16-18
 - a member of the care experience team for students in care

8. Where needed, staff involved in the teaching and learning of the student/apprentice are then made aware of the warning.

9. Review(s) to be carried out through the tutorial programme of 1:1s and recorded on Ontrack. Curriculum managers to monitor action plan and progress. Where progress is not made the Curriculum manager will escalate concerns to the Head of Faculty who will arrange a stage 3 meeting.
10. Successful completion of the action plan/learning contract, within the agreed time, will result in the end of the disciplinary process.

Stage 3

DISCIPLINARY MEETING WITH A HEAD OF FACULTY OR ASSISTANT PRINCIPAL

This is the stage at which the exclusion of the student or apprentice can be discussed and escalated to consider exclusion.

1. The student/apprentice is advised by their Curriculum Manager that they are to be put onto Stage 3 of the disciplinary procedure.
