

Apprenticeship Awards 2025

Sponsorship Pack

City of Wolverhampton College Apprenticeship Awards 2025

It's time to recognise and celebrate the very best apprentices and apprentice employers at City of Wolverhampton College!

Friday 28 November 2025, 7-9pm

Molineux Stadium, Hayward Suite, Waterloo Road, Wolverhampton, WV1 4QR

Now entering its fourth year, the Apprenticeship Awards celebrate the very best apprenticeship talent – and being a sponsor is one of the best ways of supporting this prestigious event.

The evening will showcase the achievements and provide well-deserved recognition for apprentices and employers who have demonstrated high levels of commitment to developing their workforce through apprenticeship programmes.

The 2024 event will be bigger and better than ever before, delivering the ultimate experience for every guest at this black-tie event. On arrival, guests will enjoy a complementary drinks reception before heading through to the main banquet hall to get the prestigious ceremony underway – complete with a delicious sit-down meal of course. There will also be inspirational guest speakers and lots of entertainment thrown in for good measure!

The college offers over 25 apprenticeship standards in a wide range of industry sectors and, with over 700 apprentices currently enrolled on programmes across the region, the college is transforming the lives of young people and supporting local employers and the local economy by equipping their staff with the skills and knowledge needed to meet the demands of their business.

The Apprenticeship Awards is a non-profit making event. All sponsorship received will be used towards delivering a fantastic event for all involved. Any extra funds will be used to support students at City of Wolverhampton College.
