Head of Safeguarding and EDI

Publication Date: Sept 2025

Review: July 2026 | Version No. 1

1. Policy Statement

- 1.1 City of Wolverhampton College is committed to embedding equality and diversity in all of its activities and encourages access to the College, irrespective of background or personal characteristics.
- 1.2 The College is working to create an environment in which individual difference is positively valued in an atmosphere free from bullying, discrimination, harassment and victimisation. The College takes its legal and moral obligations to equality seriously. It welcomes engagement and dialogue with groups and individuals to continually enhance its Equality, Diversity, and Inclusion (EDI) policy and practice.
- 1.3 The College will ensure that equality is embedded in all activities, policies, and decisions. Ensuring fairness and respect for all students, apprentices, staff, contractors, visitors, the public and any others in the course of the College's work.

2. Scope

- 2.1 This policy applies to all current and potential students or apprentices and staff who work at the College on a paid or voluntary basis, along with visitors or contractors.
- 2.2 The Equality Act 2010 introduces standard definitions of discrimination. The nine 'protected characteristics' under the Act are: Age, Disability, Gender, Race, Gender reassignment (people undergoing gender reassignment or who are transgender), Marriage and civil partnership, Pregnancy and maternity, Religion or belief, and sexual orientation (including gay, lesbian, bisexual, and heterosexual orientations).
- 2.3 In line with the Equality Act 2010 and the interpretation affirmed by the Supreme Court, the College recognises that "sex" refers to a person's biological sex, male or female, as recorded at birth, except where a Gender Recognition Certificate (GRC) has been issued under the Gender Recognition Act 2004. In such cases, the person is legally recognised as their acquired sex.
- 2.4 The College affirms its commitment to upholding protections for individuals undergoing gender reassignment and those who identify as transgender, as required by the Equality Act 2010.
- 2.5 While promoting inclusion for all, the College also recognises that, in certain limited circumstances, lawful sex-based distinctions may be permitted under Schedule 3 and Schedule 9 of the Equality Act 2010. These may include:
 - The provision of single-sex spaces or services (e.g. changing facilities or accommodation).
 - Occupational requirements in specific roles where being of a particular sex is a proportionate means of achieving a legitimate aim.
 - There may be circumstances where there are conflicts between sex-based rights and gender identity rights. The College assesses all individual circumstances on a case-by-case basis, guided by the principles of remaining inclusive, supportive and

fair while ensuring learners and staff feel respected and their needs are appropriately met.

- 2.6. Where such distinctions are made, they will be applied following the law, in a proportionate and justified manner, and subject to a case-by-case assessment.
- 2.7. The College is committed to balancing the rights and dignity of all individuals, ensuring compliance with equality law while fostering a safe, respectful, and inclusive environment for everyone.
- 2.8. Staff, students and apprentices must be protected from discrimination and harassment on these grounds. The Act also protects against discrimination by association and perception; for example, a partner or carer of someone with a protected characteristic should also be protected from discrimination and harassment.
- 2.9. The Public Sector Equality Duty is set out in section 149 of the Act. The Equality Duty has three aims. It requires public bodies to have due regard to the need to:
 1. eliminate unlawful discrimination, harassment, victimisation and any other conduct prohibited by the Act
 2. advance equality of opportunity between people who share a protected characteristic and people who do not share it, and
 3. foster good relations between people who share a protected characteristic and people who do not share it.
- 2.10. City of Wolverhampton College will have due regard to these duties in the carrying out of its functions. Having due regard means consciously considering the three aims of the general duty as part of the decision-making process.
